

3. The present procedural schedule, including the scheduled evidentiary hearing therefore cannot be achieved, and the parties request that the currently scheduled hearing and other upcoming procedural deadlines, including the OUCC's June 28, 2013 filing date, be stayed or cancelled pending the filing of petitioner's amended case-in-chief testimony and exhibits and an agreed proposed revised procedural schedule by the parties.

4. WHEREFORE, the parties, by agreement, respectfully request that the Commission stay or cancel the current procedural schedule pending the anticipated filing of petitioner's amended case in chief and receipt from the parties of an agreed, proposed revised procedural schedule.
